

# *Environmental* Certificate

for

Kludi GmbH & Co. KG  
Am Vogelsang 31-33  
58706 Menden  
Germany

Scope: Production of sanitary fittings

The company was audited successfully.

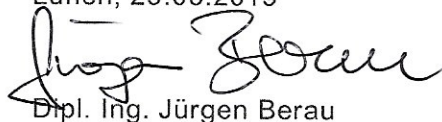

The audit was conducted in accordance with an Environmental Management System acc. to DIN EN ISO 14001:2015.

Subjects of Environmental Audit are:

- Review of laws and permit compliance.
- Review of „safe organization“, by checking the structure and organization of relevant terms in environmental protection areas.
- Review of emergency management.

The results are documented in a report.  
This certificate is valid until 31.05.2020.

Lünen, 29.05.2019

  
Dipl. Ing. Jürgen Berau
